The image displays two overlapping screenshots from the Glow platform. The background screenshot shows a 'Launch Pads' view with several application tiles. The 'Satchel One' tile is highlighted, showing its logo and the text 'Satchel One' and 'Satchel'. Other visible tiles include Google Meet, Google Classroom, and Microsoft. The foreground screenshot shows the 'App Library' interface. At the top, there are tabs for 'Launch Pad', 'App Library', and 'Management Console'. Below the tabs, there are filters for 'All Apps' and 'My Establishment's Apps', and a search bar labeled 'Search Apps'. A grid of application tiles is displayed, with the 'Satchel One' app visible in the top row. The grid includes various other educational and support resources such as 'Free online CLPL from Dynamic Earth', 'Online STEM Resources from Dynamic Earth', 'SLF 2022', 'Stop It Now!', 'Scottish Disability Sport', 'Report Remove', 'Professionals Online Safety Helpline', 'SCCR', 'Lead Scotland', 'DYW Live', 'The Daily Mile', 'Social Enterprise Schools', 'e-sgoil', 'Glasgow Caledonian University', 'INTO FILM', 'National e-Learning Offer', and 'Glasgow Science'.
